OCTOBER 2021

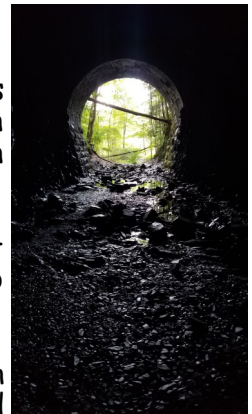

***"Thy word is a lamp unto my feet,  
and a light unto my path." (Psalm 119:105)***

Don't you wish that sometimes you could recognize the will of God as clearly as you can see the trail in this picture? When visiting a new place, it is a relief to have the right direction clearly marked, and another person who knows the way to be your guide. Sometimes, however, the trail can lead you through an old train tunnel. There was only one flashlight and I followed closely behind the person who was using it to lead the way.

As we made our way through the tunnel, I found myself thinking how that moment was so much like how my relationship with Jesus should be: Walk by faith and not by sight. I could not see anything more than the next step in front of me, but I trusted the person leading to guide me in the right direction.

The psalmist wanted direction. He wanted to best know where to take his next steps, as well as how to best set the course of his life. Therefore, he went to the source of life—God—and His Word.

Maybe you find yourself feeling as though you are in the middle of the train tunnel we explored, because there is much confusion, uncertainty, and darkness across our nation. I cannot help but think that this is true for the precious children in our county. We greatly desire the opportunity to once again share with them face to face that Jesus is the Light of the World, and He is trustworthy. We want to carefully teach them from the Word, the Word that can be the light to their paths. Please pray for open doors, both familiar and new ones, to share the Gospel, as well as teaching teams to go and share.

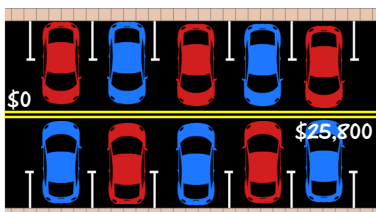

*For the Next Generation, Anna*

### Special Project—Parking Lot

What a blessing to share with you pictures of the parking lot replacement at our office as it is in progress as this newsletter goes out! The original parking lot served us well for nearly 40 years. We are abundantly grateful that through your giving, God provided over \$26,000 for the special project fund!

1 car per parking space = \$2,580 or 10%
