

## CARE PACKAGES — PHASE I

Help us continue to show the **love** of **Jesus** with the children who are enrolled in our Good News Clubs!

Due to COVID-19, all of our Good News Clubs were forced to end early for this school year. In an effort to continue to **show God's love and share the Good News of Jesus Christ** with these children one more time, we will be putting together care packages with a Gospel tract and an invitation to join us online for

**"Good News Encounters".**

Our goal is to have these to the clubbers by May 22nd.

In **showing God's love to the clubbers and their families**, we want to give *pre-packaged food items*. In **sharing the Good News of Jesus**, we will be including *activity items* that point clubbers to truths we learned about David and Psalm 23, reminding them that Jesus is our Good Shepherd. These *online lessons* will be our "Good News Encounters"—Spring (available to everyone!).

*Would you consider giving towards this special project?*

\$23 = 5 care packages

\$70 = care packages for average-size GNC

\$250 = care packages for our largest GNC

**\$1,240 = Goal for Phase 1 (270 Good News Clubbers)**

Mark "Special Project" when you return your gift with the enclosed response slip or give online: [gncnc.org/donate](https://gncnc.org/donate)

We have a carefully selected list of items to be purchased by our office as God provides the funds.

We anticipate this being an ongoing special project throughout summer.
