where CHILDREN come FIRST everyday

DECEMBER 2017

*"But when the fulness of the time was come, God sent forth His Son,
made of a woman, made under the law,
To redeem them that were under the law, that we might receive the adoption of sons." (Galatians 4:4-5)*

Pharaoh's daughter found baby Moses in a basket on the Nile. God had an appointed time for Moses to be born, towards the end of the Israelites' 400 years of slavery in Egypt. Several times throughout Exodus 2-3, God says He heard their cries and saw their afflictions and He was ready to act. Moses was to be the deliverer of his people from the bondage of slavery. He also would be God's messenger to deliver the Law to His people. Our Good News Club teachers will begin teaching the life of Moses in clubs this month.

The shepherds found baby Jesus in a manger in Bethlehem. Galatians 4 says that at God's appointed time, He sent His Son to earth. Jesus came to offer redemption to all people from the bondage of sin. Because of Jesus, ". . .ye are not under the law, but under grace" (Romans 6:14).

Sharing the message of redemption is our purpose for sending teams weekly into every elementary school in Northumberland County! Yet God reminded me that He can save the little ones' souls in whatever way He chooses. In one of the clubs, we have a third grader who came the first week and let his leader know that his mom does not believe in God, but he wanted to come to learn about God. He requested one of the Bibles that we have available at no cost to our club teachers. The week before Thanksgiving, this boy was excited to tell the leaders that he read the Gospel plan inside the Bible cover and received Jesus as His Saviour! This is why we celebrate Christmas—Jesus came to redeem us!

Merry Christmas and a Blessed New Year! Anna

DO YOU HAVE A 2017 DESK PAD CALENDAR TO DISCARD?

We will take them! Many people donated these at the beginning of 2017, and they worked so well! Our Camp Good News craft director, Miss Alicia King, discovered that the cardboard on the back of desk calendars are the perfect thickness for our scrapbook craft. Perhaps your church could collect a pile of them and we will pick them up; if you want to drop yours off at our office, please call first to make sure we are available to receive it.

OTHER SCRAPBOOK SUPPLIES . . .

In addition to the cardboard, we are short on other scrapbooking supplies such as scrapbook background sheets, stickers, and foam stickers and letters. Memory book is one of our most popular hand crafts for all four weeks of camp. Let the office know if you have any supplies you would like to donate for Camp Good News!
